Web Site Entry Form  
Special instructions:

Print one entry form for each photo you plan to enter in the exhibit.

Fill in both columns with all requested information.

Cut this instruction column off along the dotted line.

Fold the remaining piece with the completed information in half vertically (length-wise) so the two columns are back to back with the printing on the outside.

Follow the directions at the bottom of the first column to attach the entry form to the photo. Your name and the title must be visible at the lower right corner when seen from the front.
